

HABITAT CLEANING GUIDE

for Small Furry Pets

DAILY

Scoop out wet & soiled bedding and replace with fresh

Clean water bottles & food bowls and refill

Remove faeces (except rabbit soft cecotropes)

WEEKLY

Change all of your pet's bedding once a week

Give loose toys & furniture a weekly wipe down

MONTHLY

Place your pet in a small pet carrier

Empty the hutch or cage of everything

Throw away all bedding, sawdust, hay, food & debris

Clean contents and housing in warm soapy water

Avoid products containing ammonia or bleach

Thoroughly rinse everything with water after cleaning

Once dry, replace contents and add fresh bedding
