Contact us today to ask our team questions about puppy toilet training & other essentials

- 1 Establish a routine & choose a toilet area outside.
- 2 Take puppy outside to 'the spot' first thing in the morning, after meals and before bed.
- 3 Say "toilet" or "wee-wees" every time.
- 4 Be patient and consistent - that includes everyone!
- 5 Reward successes with praise, treats, and affection.
- 6 Don't scold accidents - they will happen!
- 7 Use puppy training pads to catch indoor accidents.
- 8 Provide constant supervision during this stage.
- 9 Revel in the joy of success!
